

## HOWARD MACCORD RESOLUTION

**Whereas** Howard A. MacCord, Sr. worked as a professional archaeologist for the Virginia State Library from 1962 until 1976 and continued to consult and offer advice on issues relating to Virginia archaeology from his “retirement” until his recent passing; and

**Whereas** before his archaeological career, Howard served over 30 years in the U. S. Army, rising from private to the rank of Colonel and serving in the European Theater in World War II and in the Korean Conflict; and

**Whereas** Howard was a charter member of the Council of Virginia Archaeologists (COVA) and a life member of the Archeological Society of Virginia (ASV) and published many of his over 120 site reports and papers in the *ASV Quarterly Bulletin*; and

**Whereas** less than one month before his death on November 3 at the age of 93, Howard was instructing slightly younger archaeologists at a COVA meeting on ways to improve Virginia archaeology;

**Be It Resolved** that the Southeastern Archaeological Conference recognizes Howard MacCord’s archaeological contributions and mourns the passing of this towering figure in Virginia prehistoric archaeology.
